

# OUR FUTURE PLANS

## TaskMe

### Get your things done!

"We create an added value that is more than the pure job-placement for our customers and solve tasks for the user faster - easier and more effective than our competitors"

#### SHORT-TERM EXPANSION

Within Germany, first small and middle-sized cities, then bigger cities.

2018

#### IDEA AND IMPLEMENTATION

I have a dream! André Englet had the idea of creating a platform to connect people and found the start-up TaskMe.

2020

#### EXPANSION TO SMALLER CITIES IN GERMANY

Start small, grow big! We are planning to expand short-term to smaller cities in Germany.

2019

#### ESTABLISHED IN ULM

Huge success in Ulm! After various improvements is the platform TaskMe ready for further expansion.

2022

#### EXPANSION TO BIG CITIES IN GERMANY

Let's go to the big cities! We are planning to expand to other big cities in Germany like Munich, Berlin, Hamburg.

2023

#### EXPANSION TO EUROPEAN COUNTRIES

We are dreaming really big! We are planning to expand in the long-term future also to European countries, like France and Italy.

2027

#### MID-TERM EXPANSION

Within the next 5 years we are planning to expand to European countries.

#### WORLDWIDE EXPANSION PLANNING

Considering cultural differences! After a successful establishment in Europe, market research and adaption of the platform for Asian and American needs we are planning to further expand to establish an international application.

2028

#### EXPANSION TO THE INTERNATIONAL MARKET

Entering the huge international market! Modifications and adjustments to the different countries of the app and website will help us to expand easily and fast.

to be continued

#### LONG-TERM EXPANSION

Within the next 8 to 10 years, we are planning to expand internationally. To Asian countries, like China and Russia and the United States.

### TaskMe

Get your things done!

Our platform connects job provider and job seeker to socialize people within a region.
